

Zaeem Uz Zafar

Software Engineer (MERN)

Address University Road Karachi, Pakistan 75200

Phone 03343338690

E-mail zafarzaeemmern@gmail.com

LinkedIn <https://www.linkedin.com/in/zaeem-uz-zafar-02bb011>

A MERN (MongoDB, Express.js, React.js, Node.js) developer with 2 years of experience in the development field. Skilled in building robust and scalable web applications, demonstrating proficiency in both front-end and back-end technologies. Experienced in utilizing MongoDB for database management, Express.js for server-side development, React.js for building dynamic user interfaces, and Node.js for server-side scripting. Proficient in RESTful API design and integration, ensuring seamless communication between front-end and back-end components. Demonstrates a strong understanding of JavaScript, HTML, and CSS. Proven ability to collaborate in cross-functional teams and adapt to evolving technologies. Adept at troubleshooting and debugging, with a commitment to writing clean, maintainable code. Continuous learner with a passion for staying updated on the latest trends and best practices in web development.
